

## Payment Information

### Board Operated Programs

The rates for the WRDSB operated Extended Day programs are established annually on a cost recovery basis and are approved by the Ministry of Education.

Rates can be found at [www.wrdsb.ca/beforeafter](http://www.wrdsb.ca/beforeafter).

Invoices are based on schedules provided by parents/guardians in OneList. It is the responsibility of the parent/guardian to ensure that prompt payments are made.

### Community Partner Programs

Community partner operated programs will bill families according to their billing procedures and policies.

## Flexible Enrolment Options

At times changes need to be made, however it is requested a minimal number of changes occur throughout the year. These changes are expected to be consistent and predictable in nature. **Please note: Two weeks advance notice for registration, schedule changes, and withdrawals is required.** Fees will be generated based on the parents/guardians OneList schedule.

## How to Register

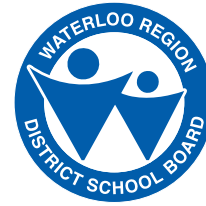

Extended Day OneList registration is available online by visiting [www.wrdsb.ca/beforeafter](http://www.wrdsb.ca/beforeafter). Registrations are acceptable to the viable programs throughout the year.

# Before and After School Programs

## for Junior Kindergarten to Grade 6

Accessible, high-quality programs, with no waiting lists.

## Before and After School Programs

WRDSB *Before and After School programs* provide parents/guardians with accessible, high quality child care.

*Before And After School programs* provide a play based learning environment where children learn through exploration and purposeful experiences.

- Subsidies are available to qualifying families to help offset costs.
- All programs are inclusive.
- Programs allow children to build on their existing knowledge as they create new understandings.

## Available Programs

### Extended Day Programs for Junior Kindergarten to Grade 2

The Extended Day program is a balance of investigation and exploration through play and is supervised by designated early childhood educators (DECE). The Extended Day program operates out of the Kindergarten classrooms and children are also able to use other spaces in the school. Supports for students with special needs are available.

### Youth Development Programs for Grades 3 to 6

Youth Development programs are specifically designed to engage students in Grades 3 to 6 in physical activity, social/cooperative games, drama, visual arts, and more.

Youth Development Programs may have access to school spaces such as the gym, library, classrooms, and computer labs.

## Hours of Operation

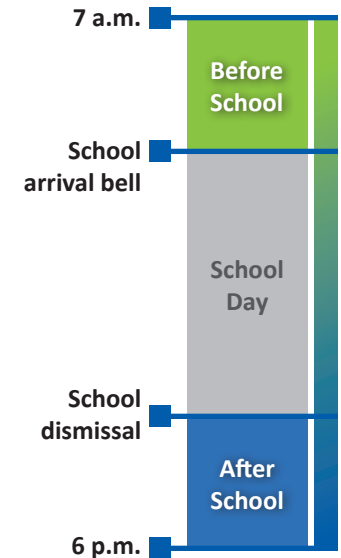

*Before and After School programs* operate during the school year from 7 a.m. until the arrival bell and from the dismissal bell until 6 p.m. Programs are offered from 7 a.m. - 6 p.m. Monday - Friday, during staggered entry for Kindergarten in September, P.D. Days, and at a reduced number of sites during March break, and the winter break.

### Sample Schedule
